The Fortnightly Club of Summit

Honoring Our Past. Preserving Our Future.

Dear Friends of The Fortnightly Club,

For generations, Twin Maples has been more than a beautiful historic home. It has been a gathering place, a backdrop for cherished memories, and a treasured landmark for Summit and the surrounding communities. Built in the early 1900s and home to The Fortnightly Club of Summit since 1949, Twin Maples has long been affectionately known as the "White House of Summit." Its timeless elegance offers a glimpse into our city's rich past, while the celebrations held within its walls continue to make it a vibrant part of our community. It is not simply a historic building; it is part of our community's story.

For the dedicated members of The Fortnightly Club, preserving Twin Maples is both a privilege and a responsibility we take to heart. While we have made significant investments in repairs and improvements this year, the need for continued restoration remains pressing. Most urgently, the deteriorating roof must be replaced to meet insurance requirements, along with other essential work to protect this historic property. These costly repairs make community support more important than ever.

As you consider your year-end charitable giving, we hope you will make a gift to help preserve Twin Maples. Every contribution, large or small, helps ensure that this beloved landmark remains a place where future generations can gather, celebrate, and create memories of their own.

Historic homes like Twin Maples are irreplaceable. Once lost, the history and traditions they represent cannot easily be reclaimed. Together, we can ensure that Twin Maples remains a cherished part of our community for generations to come.

Thank you for your generosity and shared pride in preserving this special piece of our heritage.

With heartfelt appreciation,

Sandra McTernan
